1. About MECS Press

Modern Education and Computer Science Press (MECS) is an open-access publisher of ten journals covering a wide range of academic disciplines. MECS serves the world's research and scholarly communities, and aims to be one of the largest publishers for professional and scholarly societies. MECS journals maintain the highest standards of peer review, with some internationally-recognized editors serving on the editorial boards of MECS journals.

MECS is not only a publisher but also a hub for scientists. MECS is a platform offering excellent resources for research. It connects traditional publishing with the opportunities afforded by new technologies. Through publishing with MECS, your work can enjoy worldwide reach, and you can get a quick response from your colleagues worldwide. If you are interested in reviewing MECS's manuscripts or are an editorial board member, please send us an email (service@mecs-press.org) today!

Note: Please send us your CV and this file to service@mecs-press.org
